My favourite MYTP memory was during our dress rehearsal for Mulan when playing the avalanche landed me on my butt! Besides theatre my favourite activities are basketball and swimming. I would like to give a special thanks to my older brother Crawford for starting MYTP first. I would have not started doing theatre if you didn't start the family chain for us Bonks!

Simone Bonk

Hi! My name is Simone, and I play the Beast in Descendants. This season, I am celebrating 8 years with MYTP. I've been in 14 MYTP shows, and all 4 MCT shows. Since Descendants is one of my last shows, it's one of my favourites. I like theatre for many reasons; my friends, having fun, and expressing my love for theatre in as many ways possible. Other than theatre, my hobbies are; playing instruments (guitar, drums, bass, electric, etc). I would like to thank my family for supporting me all these years! I'd also like to thank Kim for giving me so many opportunities within MYTP. Lastly, I would like to thank my other directors for helping me through all these years with singing, dancing, and acting. At theatre I can challenge myself to try new things and go out of my comfort zone. Theatre makes me laugh, smile and cry with each show. It's always fun and I always enjoy being on stage with my cast mates. Theatre has truly changed my life and I hope that it'll change others too. My family, more specifically my parents, have always been my biggest supporters. Playing Maleficent has been an absolute blast, especially with the other evil parents. When I leave MYTP, I plan to go to Sheridan for the Bachelor of Performance Art and Musical Theatre, because I adore doing theatre. The months work paying off when you hear the audience clapping is the best thing. I've already applied and booked my Audition, so, wish me luck! I'd also love to thank my fellow graduate and friend, Imogen Coady for recommending MYTP to me, I wouldn't be writing this without her. Enough about me, enjoy your show!

Aislyn Nunes Douglas

Hi I'm Aislyn Nunes Douglas, I am so excited to take on the role of Mal in Descendants the Musical. I am celebrating my ninth year with Milton Youth Theatre Productions with some memorable roles as Gingy (Shrek the Musical), Timone (The Lion King), Matilda (Matilda), Katherine (Newsies), and the Cat in the Hat (Seussical the musical). I am sad to be graduating this year after so many memories made at MYTP. I will always remember the feeling of stepping back onstage for the first time after the Shutdown for my dream roll in my dream show and will always cherish that memory. MYTP and musical theatre has done so much to boost my confidence in and outside of the theatre. I have been able to become a part of this incredible community and got to grow up alongside all of my wonderful castmates. I have plans to go into a Theatre Production program or a Musical Theatre program next year to build on the roots that MYTP has given me these past many years. I wanted to thank my mum for dealing with me sobbing before my very first show and practically dragging me to the theatre. My parents drove me to every rehearsal and every long show week for nine years. I'd like to thank my entire family for showing up to all of my shows and supporting me no matter the show or the character I played. Finally I'd like to thank my friends for listening to me talk about every show I was currently in and relentlessly singing the songs.

Katie Palmerio

Katie Palmerio is celebrating 6 years at MYTP!! Some of her favourite roles from over the years include Hans (Frozen), The Baroness (Chitty Chitty Bang Bang), Alex (Madagascar), Joseph Pulitzer (Newsies), and she is currently playing the role of Fairy Godmother in her cast for Descendants. Katie loves theatre because it gives her a chance to step outside her comfort zone, and is saddened to be graduating this year. She would like to thank her family for always being there for her and supporting her dreams!

Sarah Palmerio

Sarah Palmerio has been a member of M.Y.T.P for 7 years and is playing Jafar in Descendants. Some of her favourite roles she's played are a Wickersham Brother in Suessical, Wiesel in Newsies, a Big Kid in Matilda, and Marty in Madagascar. She likes to do theatre because of her love of musicals and acting. Her favourite show with MYTP was Suessical, but it will likely be replaced soon, since every show is better than the last!

Martina Pandullo

My name is Martina Pandullo and I am playing Evie in Descendants! This year I am celebrating 12 years with MYTP. Come past productions include High School Musical (Ms. Darbus), Aladdin (Jasmine), Frozen (Anna), and Seussical (Horton the Elephant). My favourite MYTP show has been Descendants! The role of Evie has been a dream of mine since I was a small child and I would perform a one woman musical in my living! I love participating in theatre because it gives me the opportunity to learn new skills that help me in everyday life. It also gives me the opportunity to meet new and interesting people. Besides theatre I enjoy volleyball, listening to music, watching movies, and reading. I would like to thank my family and friends for always supporting my love of the theatre!

Minuki Peiris

Hi my name is Minuki and I am playing Jay in Descendants! I've been in nineteen MYTP productions, including Peter Pan (Mini-Skunk), Mary Poppins (Valentine), Shrek (Storyteller), Mulan (Mushu), The Lion King (Young Simba), Moana (Moana), Newsies (Jack Kelly). When I performed my first show, The Jungle Book (Baby Elephant), I was unaware of the endless possibilities and fulfillment that performing brings. One of my favourite moments was when my Grade 5 class surprised me by coming to watch Dear Edwina (Edwina). I also recall the unforgettable joys that The Little Mermaid brought, and how fun it was to play Sebastian. Outside of MYTP, I like to play piano and swim. After graduation, I'm considering pursuing the health sciences, but I will be continuing to perform and fuel my theatre passions wherever I can! I'd like to give a big shout-out to my parents for their support and signing me up in the first place! To my Tuesday Cast family, thank you for all the memories, sense of belonging and fun that we shared. Last but not least, I'd like to give a huge thank you to Kim, Jasmin, Katie, and Brooke for your unwavering support over these last 11 years. MYTP has helped build my confidence, energy, and creativity.

I've been in many shows, I have particularly loved the Lion King, Aladdin, Frozen, Matilda, and Moana. My favourite MYTP memories are in Frozen when the ice castle rose up while we sang "Let It Go" and when during one performance a character's mic flew across the stage and we were all trying to hold in our laughter. Some hobbies I do are hockey, violin, volleyball, and of course, drama! I would like to thank all the MYTP staff Brooke, Katie, Jasmin, and Kim. I would also like to thank everyone in my cast, and everyone in my cast in the past. Thank you for making this MYTP journey special, magical, and fun.

Claire Sadgrove

I've been doing MYTP since I was only six years old, and now I'm graduating at the end of this year. I first signed up for MYTP because both of my older siblings were in theatre, and it looked like so much fun so I decided to join. Some of my most memorable roles, including my role in this show, are Maleficent in Descendants, Les in Newsies, Miss Honey in Matilda, Sven in Frozen, and Adella in The Little Mermaid. My favourite memory from all my years with MYTP is when I got to sing When I Grow Up in Matilda. It was the first show we did back on stage since the pandemic, and it felt so amazing to be on stage singing just me and Sophie, who was playing Matilda. After I graduate, I plan to study either social sciences or humanities. Theatre is the place I feel most free and most myself and I'm so grateful to have called it my home for 12 years.

Overall, I enjoy performing because it takes me out of my comfort zone. The feeling of being backstage before a show is unparalleled and electric. There are a lot of core Tuesday cast people who are graduating this year. It won't be the same without you, but hey, it's about the friends we make along the way! Thanks to Jasmin, Brooke, Katie and Kim for the last six years.
